# MEET THE FERMENTASAURUS

## THE ALL-IN-ONE CONICAL FERMENTER

### FEATURES

#### VOLUME MARKERS

- 9.25 Gallon capacity

#### CLEAR PET

- Visually watch fermentation
- Easy to clean

#### STAINLESS STAND

- Handles for easy movement

#### BUTTERFLY DUMP VALVE

#### 500 ML COLLECTION BALL

- Ferment
- Clarify
- Carbonate
- Serve your beer

### OPTIONAL PRESSURE KIT

#### PRESSURE LID

Replaces existing lid, allowing you to pressurize the Fermentasaurus

- Ferment under pressure to reduce esters and fusel alcohol production
- Carbonate your beer
- Serve beer directly from your Fermentasaurus
- Transfer already carbonated beer to your keg
- Eliminate O<sub>2</sub> exposure

#### SILICONE TUBING

#### FLOATING STAINLESS PICK UP TUBE

- Floats on top of the beer
- Always draws clear beer
